

ALKALI MANUFACTURERS ASSOCIATION OF INDIA

TWO DAY SEMINAR ON "NEW DEVELOPMENTS IN O & M OF MEMBRANE CELL PLANTS WITH ENERGY SAVING & MANAGEMENT IN CHLOR-ALKALI SECTOR" AND MINI-EXHIBITION

(FOLLOWED BY PLANT VISIT TO GRASIM INDUSTRIES LTD., KARWAR ON 8 SEPT., 2017)

GOA, 6-8 Sept. 2017

AMAI is organising a two-day event consisting of two day Seminar on "New Developments in O & M of Membrane Cell Plants with Energy Saving & Management in Chlor-Alkali Sector" and Mini-Exhibition, Parallel Networking and B2B meetings, followed by plant visit to Grasim Industries Ltd., Karwar. The Mini-Exhibition will be held concurrently with the Seminar. The event will be held on 6th & 7th September 2017 at Goa followed by plant visit to Grasim Industries Ltd. on 8th September 2017. Various subject experts, technology licensors, membrane suppliers, electrode coating suppliers, engineering consultants and eminent speakers from overseas countries and from within India will be making presentations on Latest Developments in Membrane Cell Process, Cell House and Electrolyser area, Brine Treatment Area, Utilities, HT Power Equipment, Energy Efficiency improvement, Measures adopted to conserve energy and other resources, Best Energy Management Practices adopted by industry member units, Paper by NPC on best energy management practices in chlor alkali sector, Paper by BEE and many more important related topics will be covered.

Conference Papers will cover,

- New Developments and Advancements in Electrolysers and Membranes
- Experience Sharing by Technology Licensors and Membrane Suppliers based on their supplies to Indian Industry
- Emerging Technologies and Improvements in Brine Treatment and Cell House addressing the problems of industry
- Innovations in Utilities and Effluent Treatment Plants to conserve resources
- Experience Sharing and Case Studies on In-House Developments by industry member units
- Best Practices on Energy Management in Chlor-Alkali Sector-Papers by NPC, BEE and Energy Consultants
- Energy Optimisation in Rectifiers & Transformers
- Energy Savings through Capacitor Banks and Busbars
- Energy Savings in Auxiliaries
- Case Studies by the best energy managing industry member companies

Participation Fee*

Members	Rs.10,000 (+ Service Tax as applicable, current rate @15.0%)
Non-Members	Rs.15,000 (+Service Tax as applicable, current rate @15.0%)
Foreign delegates	US\$500 (inclusive of Service Tax)
